# PROPOSAL

# WHAT DO PEOPLE NEED IN COWS?

Dairy cows are a source of a lot of high quality human food, milk, dairy product, cheese, that really serve human nutrition. And there are many other reasons to have cows around, cows can actually help the environment.

Slaughter for beef

### RATIONALE

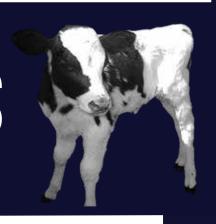

ABOUT DAIRY INDUSTRY

# AFTER BIRTH 1-3DAYS

Calves are generally taken from their mothers.

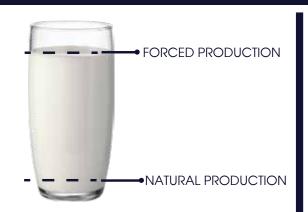

# **ALL COWS**

are destroyed by

Hand saws, Searing-hot irons, Sharp wires, Caustic Chemicals, Guillotine dehoroners, Knives 30-50% of cows are suffering from mastitis

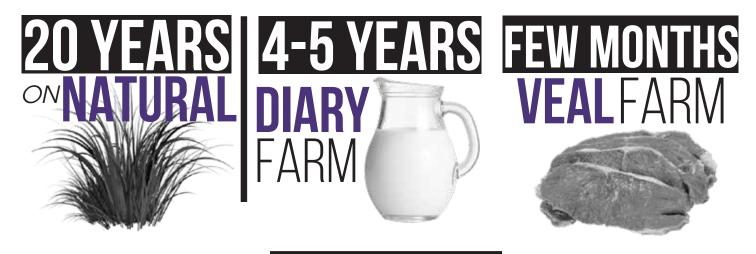

Cows have been genetically manipulated and drugged to produce up to

4-5 TIMES as much milk as they would naturally
